

MOBILE EQUIPMENT OPERATOR

The Bayou Lafourche Fresh Water District is accepting applications for a Mobile Equipment Operator position located in Thibodaux. Hourly wage will commensurate with experience. Health/Life insurance for employee/family is offered, and participation in state retirement is offered. Pre-employment physical and drug screen are required. Interested applicants can download a job application online at www.blfwd.org under Resources tab, or pick up at 1016 St. Mary Street, Thibodaux, LA, or call 985-447-7155 for information. Deadline to submit applications is August 13,2021. **NO RESUMES ACCEPTED WITHOUT COMPLETED APPLICATION. Completed applications will only be accepted via postal delivery, hand delivery, or email (heather.armstrong@blfwd.org).**

Minimum requirements are two years operation of mobile equipment. Job duties include:

Operating and maintaining designed utility barges with hydraulic grappler systems and motorized chainsaws for the purpose of removing fallen trees and debris from the bayou and waters of Bayou Lafourche.

Operating and maintaining marine submerged aquatic vegetation harvesters designed to remove hydrilla and other non-indigenous, exotic species from Bayou Lafourche.

Operating and maintaining small, self-propelled watercraft used as water taxis and for water hyacinth abatement operation.

Operating and maintaining general grounds maintenance equipment such as mowing machines, weed eaters, chainsaws, etc.

Perform general repair of all equipment of the district, such as light engine repair and replacement, troubleshooting and repair of minor electrical systems, welding, etc.

Perform general construction tasks such as light carpentry, building repair, painting, plumbing, electrical, etc.

Operation and maintenance of motorized vehicles.

THE BAYOU LAFOURCHE FRESH WATER DISTRICT IS AN EQUAL OPPORTUNITY EMPLOYER.
